Club Contact Details

Our recent club constitution review has highlighted changes in club secretaries and/or email addresses that we have not previously been made aware of. Please could all clubs ensure they update the Region and their county when they change their club secretary, chair or treasurer so that records can be kept up to date and we can ensure clubs receive all relevant updates as necessary. Thank you.

SwimMark

Please could all clubs consider the following tips to help streamline your annual SwimMark re-accreditation process:

- Ensure we have the correct contact email for your club's SwimMark co-ordinator
- If you know your renewal is within three months but you haven't heard from a member of staff yet, please contact us at east@swimming.org
- Start uploading documents a month before the deadline so that staff can check them and advise of any necessary changes - this is not possible if documents are uploaded on deadline day
