Para-Swimming Training

Coaches wishing to attend to learn more about Para-Swimming should [let us know](#) at least a week prior to the session.

Water Polo Coaching Courses

Coaching courses are only run in the region when there are enough learners for a course, ensuring they aren't cancelled due to low bookings.

To help us assess current demand for water polo coaching courses, both Assistant Coach (Level 1) or Coach (Level 2), please [register your interest](#).

Once we have enough learners for a viable course, those on the list will be contacted with details of the next available course in the region.

Changes to Training Course Prices

Please be advised that for Safeguarding workshops registered after **1st September**, there will be a £10 fee for all workshop attendees. This will ensure the region can sustainably continue to deliver this training to our members.

There will also be a small increase in price for both Assistant Coach and Coach courses but both courses will still be run as Club Offer courses at prices lower than RRP.

Synchro Squad Trials

The final set of trials for the East Region Synchro Squad will take place on **22nd September**. Swimmers aged 15-18 (as at 31/12/20) who hold Figure Grade 4 or above are now able to [apply for the trials](#).

Selection criteria have been sent to all clubs in the region, the deadline for applications is **13th September 2019**.

Club Volunteer Coordinators

Swim England is encouraging all clubs to create a [Volunteer Coordinator position](#) to act as the main point of contact for all club volunteers.

This would provide a key support for clubs in the management and development of volunteers and provide a direct link with Swim England.
