Save the Date!

On Sunday 22nd September, the region will be welcoming Olympic gold medallist, Amy Williams, who will be speaking to swimmers, parents and coaches about her achievements during and after her sporting career.

Details of how to book will be published shortly.

Volunteering Hub

Swim England have launched a [volunteering hub](#) containing details how volunteers can get involved in various aquatic sports, which roles are available and the benefits of volunteering.

It also outlines the training and education pathways required to become part of the ever growing volunteering community.

Volunteer Coordinators Network Coming Soon....

Swim England recognises that Volunteer Coordinators need support to fulfil their role in the same way that all volunteers do. The aim is to create a Volunteer Coordinator Network which will encourage peer to peer support.

This network will connect through a forum where you can share ideas and challenges, allowing individuals to learn from the experience of others. More details to follow.

East Region Para Swimming Meet

Unfortunately, due to the lack of entries the forthcoming SEER Para Swim Meet 2019 has been cancelled.

It would be unfair to the athletes and the volunteers to travel to a swim meet that would have not been up to our usual standard.

We hope to arrange another Regional Para Meet early in 2020, depending on the dates of National Para events.
